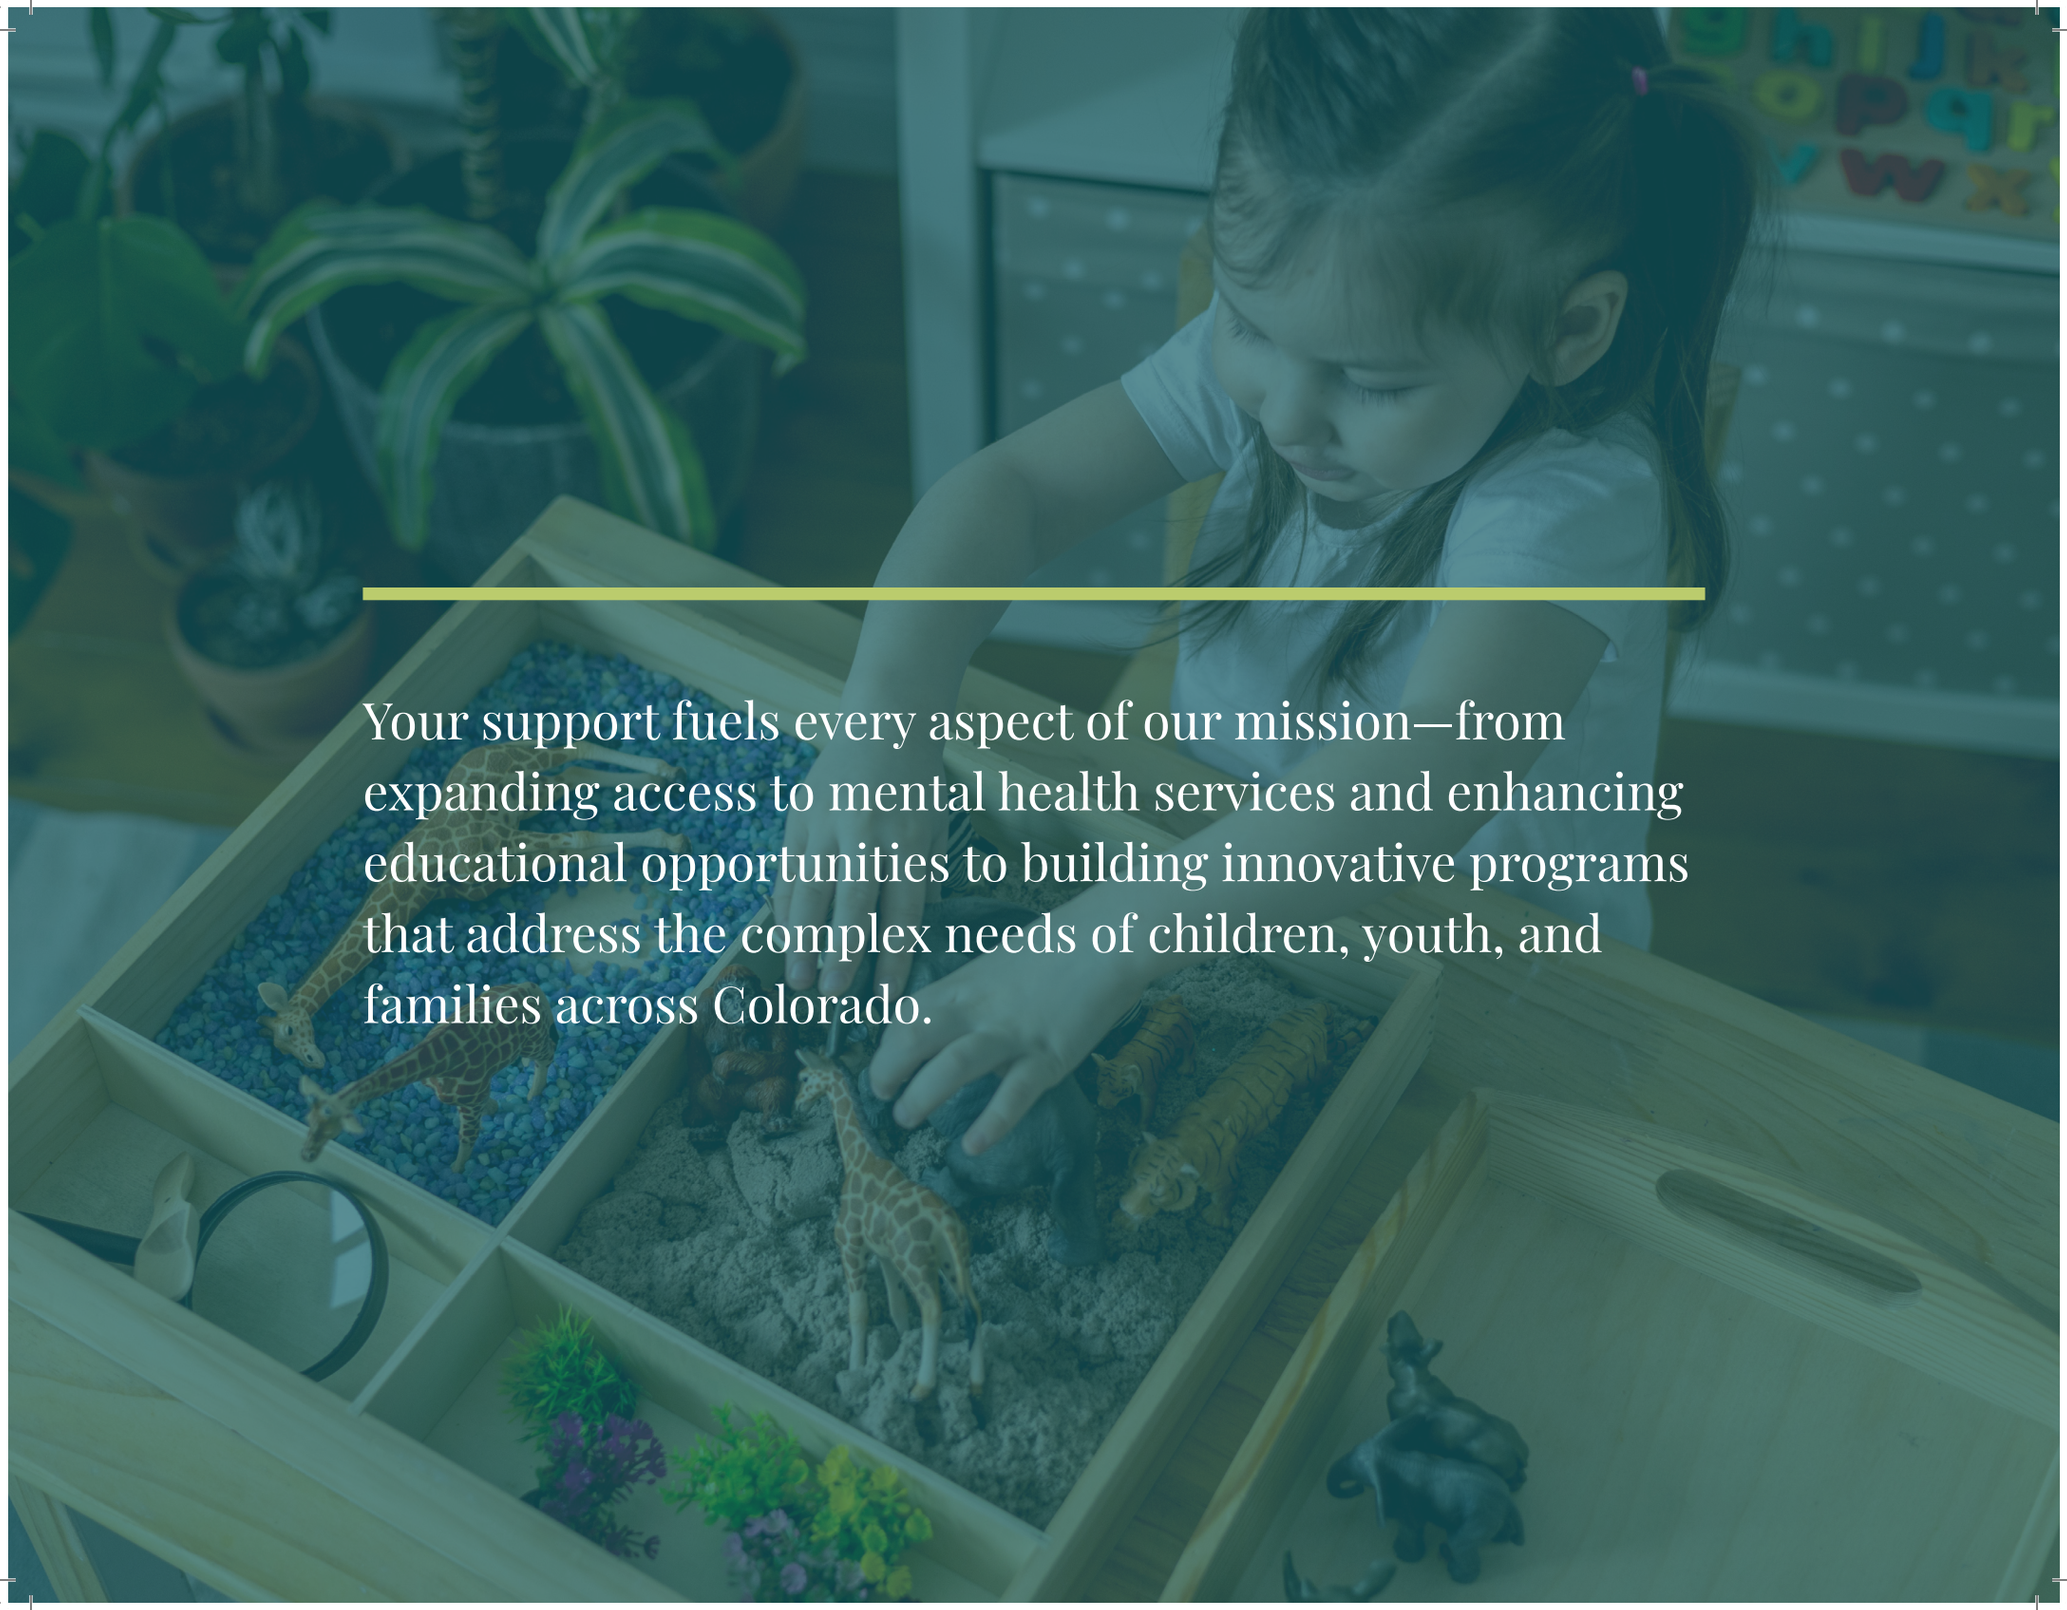
SPONSORSHIP OPPORTUNITIES 2027

Building Brighter Futures Across Colorado



Your support fuels every aspect of our mission—from expanding access to mental health services and enhancing educational opportunities to building innovative programs that address the complex needs of children, youth, and families across Colorado.

WHO WE ARE

Since 1927 Griffith Centers equips children, adults, and families with resources that promote hope, healing, and resilience. We specialize in behavioral and mental health care through a continuum of community, school, residential, and family services, meeting each person with acceptance, compassion, and without judgment.

OUR IMPACT

Colorado families face increasing challenges — mental-health crises, instability, trauma, academic struggles, and lack of access to support. Sponsors help us fill critical gaps and expand services for those who need them most.
