#### **INDEPENDENT AUDITORS' REPORT**

Board of Directors Griffith Centers for Children, Inc. Denver, Colorado

We have audited the accompanying financial statements of Griffith Centers for Children, Inc. (the Centers, a nonprofit organization), which comprise the statements of financial position as of September 30, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Griffith Centers for Children, Inc.

# **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Griffith Centers for Children, Inc. as of September 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **General**

Griffith Centers for Children, Inc. (the Centers) was founded in 1927 and is a private, nonprofit organization licensed and nationally accredited to serve children from birth to 21 years of age who have persistent social, emotional, educational, or behavioral problems resulting from abuse and neglect. In addition to its community programs, such as family preservation, day treatment, education and counseling services, the Centers provides residentially-based programs such as foster care, adoption, group homes, residential treatment (staff secure and open) and independent living services. Each year over 3,000 children and families find the help they need at the Centers. The Centers has been able to pursue innovative and imaginative treatment programs for children and their families throughout Colorado. The Centers' administrative office is located in Denver, Colorado.

The Centers has facilities in Colorado Springs, Denver, Greeley, and Grand Junction.

The Centers is the sole member of a limited liability company – Griffith Centers for Children: Colorado Springs Asset Management, LLC. The accounts and activities of the LLC are included in the accompanying financial statements. All inter-company balances have been eliminated.

The Centers' primary sources of revenue are fees for service for treatment as well as room and board reimbursed by the various County Departments of Human Services through the State Medicaid program. If a significant reduction in the future level of this support occurs, or if certain reimbursable costs are disallowed, it may have an effect on the Centers' programs and activities.

#### **Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting, and accordingly reflect all significant receivables, payables, and other assets and liabilities.

#### **Nonoperating Activities**

Nonoperating activities reflect transactions that are outside of the Centers' program services or are nonrecurring in nature.

#### **Financial Statement Presentation**

The Centers' financial statements are presented in accordance with the Statement of Financial Accounting Standards relating to *Accounting for Contributions Received and Contributions Made, and Financial Statements of Not-for-Profit Organizations*. Under the provisions of these standards, net assets and revenues, gains, and losses are classified based on donor-imposed restrictions. Accordingly, net assets of the Centers and changes therein are classified and reported as follows:

<u>Unrestricted</u> – Those resources over which the board of directors has discretionary control.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Financial Statement Presentation (Continued)**

<u>Temporarily Restricted</u> – Those resources subject to donor imposed restrictions, which will be satisfied by actions of the Centers or passage of time. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

<u>Permanently Restricted</u> – Those resources subject to a donor imposed restriction that they be maintained permanently by the Centers.

The Organization elected to present temporarily restricted contributions which are fulfilled in the same time period they are received within the unrestricted net asset class.

### **Contributions and Contribution Receivables**

Unconditional contribution receivables are recognized as revenue in the period the promise is received. Contribution receivables are recorded at net realizable value if expected to be collected in one year and at fair value if expected to be collected in more than one year. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Uncollected contribution receivables are not expected to be significant.

#### **Contributed Property and Services**

Contributed property and equipment are recorded at fair value at the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support.

Contributed goods and services are recorded as contributions and corresponding expenses at their estimated fair values at the date of donation. In-kind contributions for the years ended September 30, 2017 and 2016 consisted of program materials totaling \$37,235 and \$66,768, respectively.

A number of volunteers have donated time in connection with the Centers' activities. No amounts have been reflected in the accompanying financial statements for volunteers' donated services because they do not meet the criteria of recognition under the Revenue Recognition accounting standard.

#### **Recognition of Income**

Program services revenue is deemed to be earned and is reported as revenue when the Centers have incurred expenditures or performed services in compliance with the provisions of the respective service agreements.

#### **Cash and Cash Equivalents**

Cash equivalents include money market and savings funds. For purposes of the statements of cash flows, the Centers considers all unrestricted highly liquid investments with original maturities of three months or less to be cash equivalents.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Accounts Receivable

An allowance is estimated for uncollectible accounts based on past experience and on analysis of current accounts receivable collectability. Accounts deemed uncollectible are charged to the allowance in the year they are deemed uncollectible.

# **Property and Equipment**

Property and equipment having a unit cost greater than \$10,000 and a useful life of more than one year are capitalized at cost when purchased. Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from two to thirty-nine years.

#### **Unemployment Trust Fund**

The Centers contributes quarterly to an unemployment trust fund account. The funds are used to satisfy unemployment claims assessed by the state of Colorado. The Centers has full custody of the funds held in the account, which are managed by a third party and generate interest periodically.

### **Concentrations of Credit Risk**

Financial instruments, which potentially subject the Centers to concentrations of credit risk, consist of cash and cash equivalents and trade receivables. The Centers places its cash and cash equivalents with creditworthy, high quality, financial institutions that are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 or in cash equivalents that are backed by federal government securities. At times, such balances are in excess of FDIC insurance limits. Credit risk with respect to trade receivables is generally diversified due to the large number of entities and credit-worthiness of the organizations that comprise the Centers' customer base.

For the year ended September 30, 2017, approximately 28% of the program service revenue was provided by two entities. For the year ended September 30, 2016, approximately 35% of program service revenue was provided by three entities. Approximately 36% of program service accounts receivable as of September 30, 2017, was due from three different entities. For the year ended September 30, 2016, approximately 49% of program service receivables was due from four different entities.

For the years ended September 30, 2017 and 2016, approximately 23% and 42% of contribution revenue was provided by two payers, respectively.

The Centers believes that there is no significant risk with respect to these concentrations.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Impairment of Long-Lived Assets**

Management reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or the fair value less costs to sell. There were no impairments recognized by the Centers for the years ended September 30, 2017 and 2016.

## **Functional Allocation of Expenses**

The costs of providing various programs and other activities have been summarized on a functional basis in the Statements of Functional Expenses. Program activities are those that are conducted in accordance with the Centers' nature of operations and certain necessary costs. Management and general activities are those that are not identifiable with a single program or fundraising activity, but that are indispensable to the conduct of those activities and to an organization's existence. Fundraising activities involve inducing potential donors to contribute money, securities, services, materials, facilities, other assets, or time. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Management's estimate of the functional allocation of expenses shared between programs, management and general, and fundraising is based on a reasonable and consistent basis using factors such as direct payroll allocation, square footage, full time equivalents within each department, and total direct expenses.

#### Income Tax Status

The Centers is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from activities not directly related to the Centers' tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Centers qualify for the charitable contribution deduction under Section 170(b)(1)(A)(vi) and have been classified as an organization other than a private foundation under Section 509(a)(1). The Centers had no unrelated business income in 2017 and 2016 and thus incurred no unrelated business income tax expense.

The Centers follows the *Accounting for Uncertainty in Income Taxes* accounting standard, which requires the Centers to determine whether a tax position (and the related tax benefit) is more likely than not to be sustained upon examination by the applicable taxing authority, based solely on the technical merits of the position. The Centers believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are significant to the financial statements.

#### **Subsequent Events**

The Centers has evaluated subsequent events from the statement of financial position date through February 28, 2018, the date at which the financial statements were available to be issued.

#### NOTE 2 LEASES

The Centers has various operating leases for office and program space, vehicles and office equipment that expire over the next four years. As described in Note 4, two leases with the Griffith Centers for Children Foundation, Inc. (the Foundation) ended during 2016 as a result of the Centers purchasing land and buildings from the Foundation. Total future minimum lease payments under noncancelable operating leases are as follows:

Year Ending September 30,	/	Amount			
2018	\$	129,346			
2019		123,414			
2020		49,476			
2021		6,574			
Total	\$	308,810			

Rent expense was \$131,590 and \$113,069 for the years ended September 30, 2017 and 2016, respectively.

#### NOTE 3 NOTES PAYABLE

The Centers had access to draw up to \$450,000 on a revolving promissory note at any time during the term of the note. The revolving promissory note was scheduled to expire December 2, 2017. The revolving promissory note account was renewed in December 2017. The promissory note is secured by real property located at 10 North Farragut Avenue in Colorado Springs, Colorado. The note requires monthly interest payments at the bank's prime lending rate (but not less than 4.25%). There was no outstanding balance at September 30, 2017 and 2016, respectively.

During 2008, the Centers borrowed \$500,000 from the Foundation. The original agreement was amended in 2011 with all principal payments suspended through January 5, 2012. The agreement was renegotiated in October 2013 with an interest rate of 2.2% and principal payments of \$1,000 plus interest due monthly through September 30, 2014. The note was renegotiated again in April 2016 due to the acquisition of a parcel of land and a building in Colorado Springs by the Centers from the Foundation (see Note 4).

The renegotiated note has an interest rate of 2.4% and principal payments of \$2,500 plus interest due monthly through April 30, 2030. At September 30, 2017 and 2016, the balance was \$374,666 and \$404,666, respectively.

The Centers entered into a mortgage agreement in 2006 to borrow \$108,750 from a bank at a beginning rate of 6.93% that is adjusted after five years to the prevailing five-year U.S. Treasury Note rate plus 2.5%. This loan was refinanced in November 2014 with a different bank with a balance of \$35,000 and an interest rate of 4.5%. The loan requires monthly principal and interest payments of \$364 through November 26, 2024, and is secured by real property located at 28 North Farragut Avenue in Colorado Springs. At September 30, 2017 and 2016, the note balances were \$26,458 and \$29,650, respectively.

#### NOTE 3 NOTES PAYABLE (CONTINUED)

In December 2015, the Centers purchased a parcel of land and a building in Denver from the Foundation. The acquisition was funded by the proceeds from a mortgage loan agreement that the Centers executed with a bank. At the settlement date of December 3, 2015, the total loan amount was \$412,500. The loan agreement requires monthly principal payments of \$1,998 with an initial interest rate of 3.15% through December 3, 2020. At that date the interest rate will increase to 4.18% and the monthly principal payment will increase to \$2,191 through December 3, 2025. The loan is secured by real property located at 1724 Gilpin Street in Denver. The outstanding balance of this loan was \$393,121 and \$404,452 as of September 30, 2017 and 2016, respectively.

Future principal payments due on the notes for each future year ending September 30 are as follows:

Year Ending September 30,	 Amount		
2018	\$ 44,912		
2019	45,416		
2020	45,903		
2021	45,448		
2022	45,736		
2023 and Thereafter	 566,728		
Total	\$ 794,143		

### NOTE 4 GRIFFITH CENTERS FOR CHILDREN FOUNDATION, INC.

On February 27, 1995, the Foundation was formed to operate exclusively for the benefit of and to assist in carrying out the mission of the Centers. The Foundation is governed by its own board of directors, and the Foundation owns and controls all funds within the Foundation, subject to any restrictions imposed by donors, until such funds are distributed to the Centers by resolution of the Foundation's board.

The Centers follow the provisions of the Financially Interrelated Entities accounting standards. The standard requires a beneficiary organization, such as the Centers, to report in its financial statements assets held for its benefit by an endowment organization, such as the Foundation, and to adjust its interest in such assets for the changes in net assets held by the endowment organization, notwithstanding that the beneficiary organization has no legal claim to such assets until the endowment organization distributes such assets to the beneficiary organization.

The Centers' interest in the Foundation is equal to the balance of the Foundation's net assets, which was \$629,015 and \$637,963 at September 30, 2017 and 2016, respectively.

In August 2010, the Foundation purchased land and a building located in Colorado Springs from the Centers. The property was purchased for \$250,000. In 2011, the Centers entered into a lease agreement with the Foundation to use the property for their programs for \$2,000 a month with the lease ending November 30, 2012. In November 2012, this lease was extended through November 30, 2015 after which point the lease was month to month.

#### NOTE 4 GRIFFITH CENTERS FOR CHILDREN FOUNDATION, INC. (CONTINUED)

On April 1, 2016, the Centers purchased this property from the Foundation for the price of \$280,218. This purchase triggered the renegotiation of the note payable to the Foundation (see Note 3). The new monthly principal payment is \$2,500 with an initial interest rate of 2.4%. The outstanding note payable balance to the Foundation was \$374,666 and \$404,666 as of September 30, 2017 and 2016, respectively. The note payable is the primary investment of the Foundation's permanently restricted net assets (see Note 9). During the years ended September 30, 2017 and 2016, the Centers paid \$-0- and \$11,200 in rent expense to the Foundation in connection with this property prior to purchase.

In March 2013, the Foundation purchased land and a building located in Denver. The property was purchased for \$405,000 using a loan from a private donor. In 2013, the Centers entered into a lease agreement with the Foundation to use the property for their programs and administrative activities for \$3,000 a month with the lease ending May 31, 2016. In December 2015, the Centers entered into a mortgage loan agreement with a bank for \$412,500 and purchased the land and building from the Foundation for \$338,873. The loan from the private donor to the Foundation was paid off with the proceeds from the sale of the land and building. During the years ended September 30, 2017 and 2016, the Centers paid \$-0- and \$6,000 in rents to the Foundation in connection with this property prior to purchase.

The Foundation raised \$58,155 and \$83,385, respectively, of contributions at special events and through appeals and incurred related expenses of \$43,404 and \$35,568, respectively, during the years ended September 30, 2017 and 2016. Of this amount, the Foundation promised \$-0- and \$5,000, respectively, in the form of a grant.

For the year ended September 30, 2017, the Centers had a receivable of \$67,752 and \$90,486 from the Foundation related to intercompany activity for which the Foundation has not yet paid to the Centers. The Centers has a payable to the Foundation of \$-0- and \$28,569 at September 30, 2017 and 2016, respectively.

#### NOTE 5 BENEFICIAL INTEREST IN ASSETS HELD BY OTHERS

On August 18, 2014, the Centers entered into an agreement with Community First Foundation (CFF) to establish an endowment fund with the purpose to provide funding for facility maintenance of properties owned and utilized by the Centers. CFF shall hold, manage, invest, and reinvest the endowment fund of the Centers. The agreement required the Centers to make an initial contribution of \$20,000 and CFF to provide matching funds of \$10,000 in order to establish the endowment fund (see Note 6 for information on distribution policy). During the years ended September 30, 2017 and 2016, there were no contributions to the endowment fund.

The agreement also permits CFF to substitute another beneficiary in the place of the Centers if the Centers cease to exist or if the governing board of CFF votes that support of the Centers is no longer necessary or is inconsistent with the needs of the community.

#### NOTE 6 ENDOWMENT

The endowment fund's principal is required to be invested in perpetuity while the earnings are to be used to provide funding for facility maintenance of properties owned and utilized by the Centers.

The state of Colorado adopted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) effective October 1, 2008. Accordingly, the Centers follow the guidance of Endowments of Not-for-Profit Organizations: Net Asset Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutional Funds Act, and Enhanced Disclosures for All Endowment Funds.

The Centers has interpreted UPMIFA as requiring the preservation of all assets of the endowment fund until appropriated for expenditure under the distribution policy. Earnings on permanently restricted net assets are classified as temporarily restricted until appropriated for expenditure by the CFF's board in a manner consistent with the standard of prudence prescribed by UPMIFA.

The Centers' agreement with CFF for the endowment fund states that no distribution shall be made from the fund until the net fair market value of the initial contribution to the fund equals or exceeds \$25,000 on any October 31 following which CFF shall make distributions to the Centers. CFF may make distributions of no more than 5% of average net fair market value of the fund on the last business day of each of the three calendar years preceding the year for which the distribution is being made. CFF's right to direct a distribution of amounts for any year shall not be cumulative, and, if CFF distributes to or for the benefit of the Centers less than the amount described in the preceding sentence with respect to any such year, then the Centers shall not be entitled to request a distribution of such undistributed amount in any subsequent year.

The Centers' investments are held in various investment accounts at CFF. Long-term investment activity and endowment net asset composition by type of fund for the years ended September 30, 2017 and 2016 are as follows:

		2017									
	Unres	stricted	Temporarily Restricted					Total			
Endowment Funds	\$		\$	630	\$	30,000	\$	30,630			
				2016							
	Unres	Unrestricted		porarily tricted		rmanently estricted		Total			
Endowment Funds	\$	(839)	\$	-	\$	30,000	\$	29,161			

# NOTE 6 ENDOWMENT (CONTINUED)

Changes in endowment net assets for the fiscal years ended September 30:

	2017							
			Temp	orarily	Per	manently		
	Unr	estricted	Restricted		Restricted			Total
Net Assets, Beginning of Year Investment Return:	\$	(839)	\$	-	\$	30,000	\$	29,161

Net Assets, September 30, 2016	\$	(839)	\$	-	\$	30,000	\$	29,161

#### NOTE 7 FAIR VALUE OF FINANCIAL INSTRUMENTS

In determining fair value, the Foundation uses various valuation approaches within the FASB ASC 820 fair value measurement framework. Fair value measurements are determined based on the assumptions that market participants would use in pricing an asset or liability. FASB ASC 820 establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. FASB ASC 820 defines levels within the hierarchy based on the reliability of inputs as follows:

Level 1 - Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets;

#### NOTE 7 FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)

Level 2 - Valuations based on quoted prices for similar assets or liabilities or identical assets or liabilities in less active markets, such as dealer or broker markets; and

Level 3 - Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable, such as pricing models, discounted cash flow models and similar techniques not based on market, exchange, dealer or broker-traded transactions.

Following is a description of the valuation methodologies used for instruments measured at fair value and their classification in the valuation hierarchy.

As of September 30, 2017 and 2016 beneficial interest in assets held by others consists of investments that are held at CFF, which manages and invests the Centers' endowment fund (see Note 5 and 6) and has fiduciary responsibility for the proper investment of these funds.

CFF may invest in equity securities and fixed income securities without limitation; provided however, that in making and retaining the investments, CFF shall act in accordance with the standard of conduct set forth in Colorado law with respect to the management of institutional funds. CFF's investments may include funds in all levels of the valuation hierarchy. Since CFF's underlying investments of the Centers' funds are not observable, this type of investment for the Centers is generally classified within Level 3 of the valuation hierarchy.

The following table presents assets and liabilities measured at fair value by classification within the fair value hierarchy as of September 30:

	2017				
	Fair Value Measurements Using				
	Quoted Prices	Significant			
	in Active	Other	Significant		
	Markets for	Observable	Unobservable		
	Identical Assets	Inputs	Inputs		
	(Level 1)	(Level 2)	(Level 3)	Total	
Community First Foundation	\$ -	\$ -	\$ 30,630	\$ 30,630	
	2016				
	Fair Value Measurements Using				
	Quoted Prices	Significant			
	in Active	Other	Significant		
	Markets for	Observable	Unobservable		
	Identical Assets	Inputs	Inputs		
	(Level 1)	(Level 2)	(Level 3)	Total	
Community First Foundation	\$ -	\$ -	\$ 29,161	\$ 29,161	

#### NOTE 7 FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)

The following is a reconciliation of the beginning and ending balances of assets and liabilities measured at fair value on a recurring basis using significant unobservable (Level 3) inputs during the years ended September 30:

	 2017		2016	
Beginning Balance	\$ 29,161	\$	28,240	
Purchases	371		379	
Total Gains or Losses (Realized/ Unrealized)				
Included in Changes in Net Assets	2,861		1,754	
Investment Management Fees	 (1,763)		(1,212)	
Ending Balance	\$ 30,630	\$	29,161	

Unrealized gains and losses applicable to instruments valued using significant unobservable inputs (Level 3) are included in the statement of activities for the years ended September 30, 2017 and 2016.

## NOTE 8 TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consisted of the following at September 30:

	2017		2016	
Contributions Due in Future Periods	\$	32,155	\$	13,533
Capital Campaign Contributions Received but Unspent		20,776		35,200
Endowment Earnings Held By the Centers				
Investment Held by Community Foundation		630		-
Net Assets Held by the Foundation		225,696		234,646
Total	\$	279,257	\$	283,379

Contribution receivables at September 30, 2017 and 2016, are due in less than one year.

Temporarily restricted net assets released from restrictions during the year were as follows:

	 2017		2016	
Program Restriction	\$ 14,426	\$	3,000	
Time Restriction	 13,533		30,714	
Total	\$ 27,959	\$	33,714	

#### NOTE 9 PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets consisted of the following at September 30:

	2017		2016	
Endowment Assets Held By the Foundation		_		
Note Receivable (see Note 4)	\$	374,666	\$	403,317
Investments		28,651		-
Endowment Assets Held By the Centers				
Investment Held by Community Foundation		30,000		30,000
Total	\$	433,317	\$	433,317

The endowment assets held by the Foundation shown above are permanently restricted net assets as they are required to be held in perpetuity by the Foundation. The Foundation's endowment assets are invested in the vehicles listed above in accordance with the Foundation's investment policy.

The endowment fund's principal plus or minus unrealized gains or losses are required to be invested in perpetuity while the earnings are to be used to further the work of the Centers and the accomplishment of the Centers' mission.

The state of Colorado adopted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) effective October 1, 2008. Accordingly, the Foundation follows the guidance of Endowments of Not-for-Profit Organizations: Net Asset Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutional Funds Act, and Enhanced Disclosures for All Endowment Funds.

The Foundation has interpreted UPMIFA as requiring the preservation of all assets of the Foundation until appropriated for expenditure under the distribution policy. Earnings on permanently restricted net assets are classified as temporarily restricted until appropriated for expenditure by the Foundation's board in a manner consistent with the standard of prudence prescribed by UPMIFA.

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide distributions to the Centers as needed that supports current needs and provides for growth in assets and income over time to build an operating reserve fund of six months. Under this policy, as approved by the Foundation's board of directors, the endowment assets are to be invested in a manner that is intended to produce a long-term rate of return that exceeds the total return of the S&P 500 Index for equity securities and the Lehman Brothers Government/Corporation Intermediate Index (now managed by Barclays Capital since time of Lehman Brothers bankruptcy) for fixed income securities. As principal payments are received on the note they are invested in accordance with this policy.

The Foundation's endowment distribution policy is to distribute investment income earned on the endowment fund. The Foundation expects the current spending policy to not exceed the expected total investment return minus the expected rate of inflation and investment expense. There were no distributions from the endowment fund in 2017 and 2016.

#### NOTE 10 RETIREMENT PLAN

The Centers' 403(b) tax sheltered annuity plan (the 403(b) Plan) is a defined contribution pension plan, which covers all eligible employees who have attained the age of 21. After one year of service, eligible employees may receive a discretionary employer match up to 15% of their elected deferral. As of October 1, 2008, the Centers elected to not provide any employer contribution to the 403(b) Plan, and therefore no contributions were made under the 403(b) Plan in 2017 and 2016. The 403(b) Plan benefits vest immediately upon qualification by the employee as an eligible participant.

#### NOTE 11 THE HELEN MCLORAINE EMILY GRIFFITH CENTER ENDOWMENT FUND

On October 28, 2004, a donor established a \$1,000,000 endowment fund, The Helen McLoraine Emily Griffith Center Endowment Fund (the Fund), at The Denver Foundation and named the Centers as the designated beneficiary. The Fund was established to provide support for the programs of the Centers. The agreement gave The Denver Foundation variance power, which allows it to redirect the funds to another beneficiary. Since The Denver Foundation has variance power over the gift, the fund is not recorded as an asset in the financial statements of the Centers. Per the agreement, the donor intended that an annual distribution equal to 5% of the Fund be made each year to the Centers. The Centers earned distributions totaling \$51,565 and \$53,643 from the Fund during the years ended September 30, 2017 and 2016, respectively. As of September 30, 2017 and 2016, \$12,670 and \$13,553, respectively, of the earned distributions were outstanding receivables.
