SPONSORSHIP OPPORTUNITIES 2026
Building Brighter Futures Across Colorado

Your support fuels every aspect of our mission—from expanding access to mental health services and enhancing educational opportunities to building innovative programs that address the complex needs of children, youth, and families across Colorado.

WHO WE ARE

Since 1927 Griffith Centers equips children, adults, and families with resources that promote hope, healing, and resilience. We specialize in behavioral and mental health care through a continuum of community, school, residential, and family services, meeting each person with acceptance, compassion, and without judgment.

OUR IMPACT

Colorado families face increasing challenges — mental-health crises, instability, trauma, academic struggles, and lack of access to support. Sponsors help us fill critical gaps and expand services for those who need them most.

YOUR IMPACT

Your partnership provides hope, stability, and opportunity for those who need it most.

- Mental-health treatment for underserved children
- Safe spaces for teens working through trauma
- Educational support for youth who cannot thrive in traditional school settings
- Resources for families in crisis
- Essential staff, programming, and therapeutic tools
- Sponsorship = Impact

BY THE NUMBERS

Our impact is reflected in the diversity of the youth and families we serve. With over 20,000 hours of direct support provided this year, our programs reached more than 1,600 youth and 1,800 family members. The data highlights a broad range of racial and ethnic backgrounds, as well as a wide distribution of age groups.

	14 Total Foster Care Families Served	1,800 Families Served

AGE GROUPS IN PERCENTS

83% of youth and families maintained family stability and permanency

84% of youth avoided judicial interactions while in treatment
